Education:

B.E. in Electrical Engineering and B.S. in Engineering Science - Vanderbilt University (1976).

J.D., Vanderbilt University School of Law (1978).

Current Experience:

KAIN & ASSOCIATES, ATTORNEYS AT LAW P.A., ... Ft. Lauderdale, Fla.

Robert Kain is a Florida Bar Board Certified Intellectual Property Attorney. The firm limits its practice to intellectual property (patent, trademark, copyright, computer and trade secret) matters. Robert Kain is a specialist in Intellectual Property and has practiced exclusively in the intellectual property field for almost 30 years. He has extensive experience in domestic and international prosecution and transactional matters involving patent, trademark, copyright, trade secret, unfair competition, computer law matters, Internet law and local and national litigation, mediation, arbitration and domain name dispute resolution. Robert Kain has 30 experience in patenting computer hardware and software and protecting computer systems under copyright, trade secret and patent laws.

Practice involves all phases of intellectual property: patent, trademark, copyright, trade secret, computer and multimedia law, domain disputes, related litigation in state and federal courts, arbitration and mediation of I.P. matters, domain name dispute resolution and administrative actions before the U.S. Patent and Trademark Office and the U.S. Copyright Office. Internationally, we represent, through qualified foreign associates, clients before the European Patent Office and the Patent and Trademark Offices of Canada, Mexico, Japan, Taiwan, Australia, U.K., Brazil and many other countries.

Practice also includes domestic and international business counseling and I.P. audits, licensing intellectual property and facilitating transfers of technology. Specifically involved in securing U.S. and foreign patents and trademarks for electrical, mechanical, computer hardware, software and biomedical products.
